aspirants / parents to refrain from entering into any transaction with such elements. SIU has not appointed any individual / agency / organisation to make such assurance on its behalf. It is a matter of Policy that SIU does not charge capitation fee for admission from students and this is widely and prominently published as well on all the relevant places like prospectus, website, SET Booklet etc.

3. Despite this Notice, if any aspirant / parents still proceed with or enters into transaction with such elements, they would be doing so at their own risk and cost. SIU further notifies that any aspirant attempting to approach SIU for admission through or at the instances of such agents will be permanently debarred from admission to all the courses and programmes at Symbiosis International (Deemed University).
4. While all efforts will be made to ensure that the candidate gets a test city as per his / her preferences, however, in some exceptional circumstances, a different city in nearby area may be allotted.
5. On the day of the test, your digital finger print scan will be captured. Candidates whose finger prints cannot be digitally scanned due to any reasons will not be permitted to take the SET test. It is strongly recommended that you avoid applying Mehndi / colour on your hands (palm side) for at least 5 days prior to the test.

As with paper and pencil testing, or virtually every other human endeavour, some problems could occur that might prevent a test from being delivered and/or a result from being generated. In such an unlikely event, every effort will be made to correct the problem, up to and including the administration of another test.
7. The scores published by the Symbiosis Test Secretariat shall be final and shall not be subject to any appeal or revaluation.
